RE: Mays Graduate Association Date Auction

Dearest Mr. and Mrs. Wheat,

On behalf of Mays Graduate Association, we would like to thank you for your contribution to our fundraiser on Thursday, February 10<sup>th</sup>. I speak for all of us in saying that you greatly exceeded our expectations for raising money.

We were excited to bring you in to help get the crowd involved and raise a few hundred dollars. When you laughed at our goal of \$500, I was intrigued by your confidence. I had no idea the results you would produce. In fact, I was skeptical of your assertion that you would consider anything less than \$2500 a failure on your part. But, as soon as we got started with the auction and we were able to see you in action, I knew why you had such confidence and why this fundraiser was going to be successful. You helped us raise over \$3000 in one evening. You exceeded every expectation, entertained a crazy group of students, and helped MGA successfully raise funds to support philanthropic endeavors.

Thank you so very much. I am so very grateful we crossed paths, and if you ever need a reference be sure to include me. I am happy to share our story of success and how pleased we were with your efforts.

Sincerely,

Stacey Cole
